
Smelling ... NetLogo

Look at a few examples

NetLogo basics

Three buttons and a
little bit of code

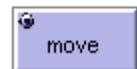

```
to cancel  
  ca  
end
```

```
to create  
  crt 15  
end
```

```
to move  
  ask turtles  
  [fd 5]  
end
```

NetLogo basics

Four buttons and ...
more code

```
to cancel  
  ca  
end
```

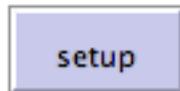

```
to create  
  crt 15  
end
```

```
to move  
  ask turtles  
    [fd 5]  
end
```

```
to change-direction  
  ask turtles  
    [set heading (random 360)]  
end
```

NetLogo basics

Two buttons, same code and ... more code

```
to setup  
  cancel  
  create  
end
```

```
to go  
  move  
  change-direction  
end
```
